

The Christian life is a battle. We are called as Christ's followers to be light-bearers in a dark world. Yet we often find ourselves battling discouragement, sin and conflict in our own lives. Would you like to stand stronger in your faith? Learn to resist and overcome evil with good?

Join us for a powerful weekend that will open your eyes to the unseen battle being waged around us every day.

You'll grow in your understanding of spiritual warfare and how it affects you and your loved ones. You'll learn how to recognize spiritual attack and pray for protection for your family, business and ministry in an age of growing darkness.

Come and bask in the light of God's love through worship, biblical teaching and personal ministry. Then be inspired and empowered to share His light with others!
